Heating & Floor Safety Solutions

Block Cold Air with PVC Strip Curtains

Call for a customized quote

INTERIOR DOORS

- Save Energy Costs by reducing open door heating / cooling loss
- Reduce noise pollution by creating an acoustical sound barrier around noisy equipment

CONVEYORS

- Increase Visibility and provide extra safe passages to reduce accidents
- Improve employee work environment by controlling smoke, dust, sprays and other contaminants

DOCKS

Low Maintenance

- Clear flexible vinyl resists stretching and stands up to abrasion
- All aluminum hardware is used for maximum durability
- May be quickly and easily cleaned with detergents or cleansing agents that are free from abrasives
- Deep stains and ingrained dirt, etc., can be removed carefully by applying ethanol
