

POWERCREW™

IN-BOX POWER SUPPLY

PowerCrew™ is the industry's only solution for safer, more secure jobsite box power. Because cutting a hole in a box just doesn't cut it anymore.

- Provides 4 GFCI-protected outlets
- 15-amp fused power for most tools and chargers
- Internal relay provides open neutral protection
- Red LED indicates power to outlets

Additional features:

- Permanent, weather-proof installation in minutes with basic tools
- Accepts standard 3-prong/straight blade extension cords

Also available from Knaack:

- STORAGEMASTER® CHESTS
- JOBMASTER® CHESTS and CABINETS
- CLASSIC STORAGE CHESTS
- JOBMASTER® ROLLING CABINET
- PORTABLE FIELD STATION
- JOBMASTER® ROLLING WORK BENCHES
- STORAGEMASTER® ROLLING WORK BENCHES
- WALL CABINET • PORTABLE WORK TABLE • HAND HELD TOOL BOXES
- ACCESSORY DRAWERS • SHELF DOORS • TOOL TRAYS • CASTERS
