

Are your vehicles
really
MADE
for industrial work?

MOTREC
Industry driven

WWW.MOTREC.COM

A few examples of innovations introduced by Motrec

- 4-wheel 1 seater: stability & maneuverability
- Equalizing battery cells: extends battery life
- 14-G diamond plates: stronger, longer lasting vehicle
- Tubular frame: increased sturdiness
- Adjustable seats: increased comfort and ergonomics

Motrec offers the widest range of industrial vehicles on the market today!

Tow tractors • People movers • Electric vehicles • IC vehicles (gas, diesel, LPG)

Equipment World is an authorized dealer for Motrec. Contact us for more information on Motrec products.
