

Introducing..... **EB 30/1** Battery Operated Electric Broom

Hard Floor

Our new EB 30/1 is a commercial-quality electric broom designed for daily use in restaurants, hotels, offices, stores, theatres and medical profession facilities.

The large rechargeable battery will provide up to 45 minutes of operation on hard floors, 30 minutes on commercial carpets.

Carpet

Extremely quiet, only 59 decibels, this is the ideal machine to use in areas where conventional vacuum cleaner noise may be obtrusive.

From stubborn hair to popcorn an EB 30/1 will always be up to the challenge.

To empty debris simply detach the easy to access hopper

Adjustable telescopic swivel handle maneuvers around obstacles such as table and chair legs. Cleans right up to wall edges

Powerful battery provides long run times before recharging is necessary. For extended operation add an optional battery

Standard black roller brush provides excellent results on most floors. For difficult applications a hard red brush can be quickly installed

Compact in size, mounts on the smallest janitor carts

Technical Specifications:

- Working Width: 11.81" (300 mm)
- Average Run Time: 30 min. carpet, 45 min. hard surfaces
