

# CV 30

Part No. 1.023-105

## SPEC SHEET

### 12" HIGH PERFORMANCE UPRIGHT VACUUM

High-suction, low handle weight upright vacuum for commercial carpet cleaning duties. Patented features include filter removal system for dust-free bag changes and unique clutch mechanism to protect from expensive brush head repairs. A powerful 1150 watt motor provides impressive suction performance with 101 cubic feet per minute (CFM) and 81 inches of water lift. On-board crevice and upholstery tools, extension wand and flexible hose for effortless above the floor cleaning in hard to reach areas. Optional HEPA filter for those requiring extremely high dust filtration capabilities.

#### Technical Data

## CV 30 Upright Vacuum Cleaner

### Feature

#### Motor

- Strong suction capabilities, overload protected
- Low 66 db(A) noise level
- Secondary protection filter on motor

#### Filtration

- Triple filter system for clean exhaust air
- Filter bag options

#### Body & Base

- Rugged housing and base
- Adjustable bristle settings, strong drive
- Low profile
- Low handle weight
- Patented filter bag removal
- Flexible hose, comfortable wand, and tools on-board

#### Value-added Features

- Buyer parts availability protection, service coast to coast
- Customer assistance

### Benefit

- High air-flow (101.7 CFM) and water lift (81.5") ratings
- No disruption from loud vacuum cleaner noise
- Protects motor from damage caused by burst filter bag. Bag access door will not close until the bag and secondary filter are installed properly
- Unique fleece bag, secondary and final exhaust filters assures clean air discharge from machine
- Economically priced paper filter bags in packages of 10, bulk pack carton of 300, high performance fleece, cloth and HEPA for high dust filtration characteristics
- Impact-resistant construction. Base bumper protects furniture and fixtures
- Patented clutch mechanism protects machine from damage if binding should occur. Protrusion on roller shaft for fast removal of string and twine
- Easily reaches under furniture and beds
- Ergonomic design reduces operator fatigue
- Dust-free bag changes
- Standard crevice and upholstery tools. Flexible hose with wand for remote cleaning functions
- Parts availability for seven years after model discontinuation. Over 130 Kärcher service centers
- 1-888-705-9444 help line or self-help diagnostics on the Kärcher web site: [www.karcher.ca](http://www.karcher.ca)
