STANDARD COLOUR CHART, POWDER COATED PAINT - CUSTOM COLOURS AVAILABLE

CUSTOM COLOUR GARAGE STORAGE

The Challenge

You've got a decent size garage but little space for tool storage and your favourite vehicle. You want to update your "man cave" but don't know where to start. Modular systems allow you to start small with one or two products or go BIG and create a full wall system.

The Solution

Customize your garage to match your unique look! Rousseau offers a variety of standard powder coated paint colours and can do custom colour matches upon request. Get the layout and design to best fit your space and storage needs. Reclaim 50-70% of your space with Rousseau shelving and drawer systems and make your personal workspace a place you can be proud of. Create shelves, cabinets, work benches, hanging tool storage, multi-level drawers, lights, power and charging stations and so much more! Slick storage is more affordable than you think... get your DREAM GARAGE today!

Contact Equipment World to get an estimate for your custom garage solutions.
