

## Pharmacy Fixtures and Shelving

Your environment is demanding and stressful, and coordinating a wide variety of tasks is an ongoing challenge. Help your organization provide patients with more effective and more productive care with our range of high density storage solutions. They can help you save resources, save time... and save lives. We offer a wide variety of state-of-the-art filing and shelving solutions that will help you improve your services by reducing space used for storage. The variety of our products offers you countless possibilities - there are mobile, static, scalable, extensible and reconfigurable options that give you the flexibility to adjust your solution to the specific needs of your institution. The diagnosis is clear, and so is its treatment: prescribe our solutions to take care of your storage concerns.

### Benefits

- **Efficient organization:** Keeps medications and medical supplies neatly arranged for quick access and easy inventory management.
- **Improved workflow:** Streamlined shelving enhances productivity, allowing pharmacists and staff to work efficiently.
- **Compliance with regulations:** Designed to meet healthcare standards and regulations for the safe storage of medications.
- **Customizable options:** Flexible shelving configurations can be tailored to the specific needs of the pharmacy.
- **Space-saving design:** Maximizes storage capacity while minimizing the footprint, making the most of available space.
- **Durability and hygiene:** Built with robust materials that are easy to clean and maintain, ensuring long-lasting use in healthcare environments.

### Applications

- **Retail Pharmacies:** Provides organized storage for prescription medications, over-the-counter drugs, and medical supplies, ensuring quick and easy access for pharmacists and staff.
- **Hospital and Clinic Pharmacies:** Ensures secure and systematic storage of medications and medical equipment, supporting hospital operations and patient care in high-demand environments.
- **Compounding Pharmacies:** Offers a clean and well-organized workspace for compounding and preparing custom medications while keeping ingredients and tools easily accessible.
- **Long-Term Care Facilities:** Assists in the efficient storage and distribution of medications for residents, streamlining processes for healthcare professionals.
- **Veterinary Clinics:** Provides safe and convenient shelving for organizing pet medications and medical supplies, ensuring fast access during consultations or emergencies.
